

# **Armenian College of Nursing & Health Sciences**

## **Academic Catalog**

### **Catalog Effective Date**

Academic Year 2025–2026

Applies to students enrolled on or after September 1, 2025

### **Institutional Overview**

The Armenian College of Nursing & Health Sciences is a professional institution of higher education dedicated to the preparation of competent, ethical, and practice-ready nurses for contemporary healthcare environments. The College is committed to academic excellence, clinical rigor, and the advancement of the nursing profession through high-quality education aligned with national and international standards.

### **Educational Philosophy**

The College emphasizes student-centered learning, clinical competence, ethical decision-making, and lifelong learning. Instruction integrates theoretical knowledge with practical application through system-based curricula and structured clinical training.

### **Programs of Study**

The College offers professional nursing programs designed to prepare graduates for entry-level registered nursing practice and eligibility to pursue licensure examinations, subject to regulatory requirements.

### **Academic Standards and Integrity**

Students are expected to adhere to institutional policies related to academic honesty, professional conduct, attendance, and progression. The College promotes integrity, respect, and accountability consistent with the ethical standards of the nursing profession.

### **Catalog Authority Statement**

This Academic Catalog is published for informational purposes and does not constitute a contract. The College reserves the right to revise academic programs, policies, tuition, fees, and requirements as necessary.

## **Regulatory Disclaimer**

Licensure eligibility is determined by the applicable nursing regulatory authority. Completion of a program does not guarantee licensure.
